MAKING MOVES SINCE 1990

Do you know that from ten Brazilian skaters, at least seven of them ride Crail Trucks? We can proudly say that we are the biggest skateboard truck brand and manufacturer in Brazil, a country with more than 3.5 million skateboarders. We're in this game for 15 years and we're a part of our skateboard history and evolution. As a reflection of our hard work our products had crossed borders and can now be found in many countries worldwide. For us skateboard is all about having fun, no matter what kind of skater you are and where are you from.

Enjoy your ride,

Making moves since 1990.
